Our Story

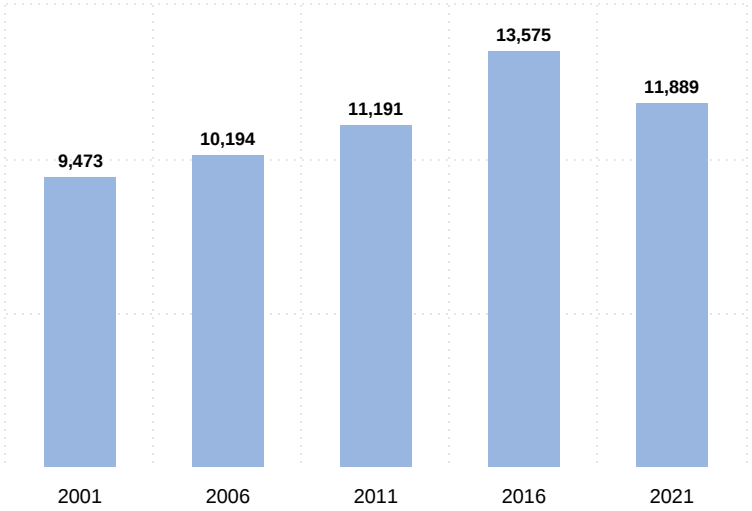

The M.D. of Bonnyville is an investment-oriented development enabler with favourable industrial and residential land costs. The region has a skilled labour force, with industry receptive postsecondary training institutions offering micro credentials. The M.D. of Bonnyville has business friendly zoning with access to an industrial land inventory, and a unique rural urban lifestyle.

Target Industries, Energy Sector, Proteins and Agriculture Technology, Renewable
Technologies, and Canadian Armed Forces Procurement.
Service: Business intelligence, development permits, zoning and support from concierge team.

Advantages: Speed of processing, cost of permitting and zoning, clarity of expectations, information for business case development, competitive taxes, proximity to industry and their inputs; Agriculture/Oil & Gas/Defence.
